### **5.2 Further Assurances.**

(a) Grantor agrees that from time to time, at the expense of Grantor, that it shall promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary, or that the Administration Agent may reasonably request, in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted hereby or to enable the Administration Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, Grantor shall:

(i) file such financing or continuation statements, or amendments thereto, and execute and deliver such other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary, or as the Administration Agent may reasonably request, in order to perfect and preserve the security interests granted or purported to be granted hereby;

(ii) take all actions necessary to ensure the recordation of appropriate evidence of the liens and security interest granted hereunder in the Intellectual Property with any intellectual property registry in which said Intellectual Property is registered or in which an application for registration is pending including, without limitation, the United States Patent and Trademark Office, the United States Copyright Office, the various Secretaries of State, and the foreign counterparts on any of the foregoing;

(iii) at any reasonable time during Grantor's regular business hours and upon reasonable prior notice, upon request by the Administration Agent, assemble the Collateral and allow inspection of the Collateral by the Administration Agent, or persons designated by the Administration Agent; and

(iv) at the Administration Agent's request, appear in and defend any action or proceeding that may affect Grantor's title to or the Administration Agent's security interest in all or any part of the Collateral.

Grantor shall furnish to the Administration Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Administration Agent may reasonably request, all in reasonable detail.

(c) Grantor hereby authorizes the Administration Agent to modify this Agreement after obtaining Grantor's approval of or signature to such modification by amending Schedule 4.7 (as such schedule may be amended or supplemented from time to time) to include reference to any right, title or interest in any existing Intellectual Property or any Intellectual Property acquired or developed by Grantor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which Grantor no longer has or claims any right, title or interest.

## **SECTION 6. ADMINISTRATION AGENT APPOINTED ATTORNEY-IN-FACT.**

**6.1 Power of Attorney.** Grantor hereby irrevocably appoints the Administration Agent (such appointment being coupled with an interest) as Grantor's attorney-in-fact, with full authority in the place and stead of Grantor and in the name of Grantor, the Administration Agent or otherwise, from time to time in the Administration Agent's discretion to take any action and to execute any instrument that the Administration Agent may deem reasonably necessary to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) upon the occurrence and during the continuance of any Event of Default, to obtain and adjust insurance required to be maintained by Grantor or paid to the Administration Agent pursuant to the Credit Agreement;

(b) upon the occurrence and during the continuance of any Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of any Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) upon the occurrence and during the continuance of any Event of Default, to file any claims or take any action or institute any proceedings that the Administration Agent may deem necessary for the collection of any of the Collateral or otherwise to enforce the rights of the Administration Agent with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against Grantor as debtor;

(f) to prepare, sign, and file for recordation in any intellectual property registry, appropriate evidence of the lien and security interest granted herein in the Intellectual Property in the name of Grantor as debtor;

(g) upon the occurrence and during the continuation of an Event of Default, to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, access to pay or discharge taxes or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Administration Agent in its sole discretion, any such payments made by the Administration Agent to become obligations of Grantor to the Administration Agent, due and payable immediately without demand; and

(h) upon the occurrence and during the continuation of an Event of Default, generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administration Agent were the absolute owner thereof for all purposes, and to do, at the Administration Agent's option and Grantor's expense, at any time or from time to time, all acts and things that the Administration Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Administration Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as Grantor might do.

**6.2 No Duty on the Part of Administration Agent or Secured Parties.** The powers conferred on the Administration Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Administration Agent or any Secured Party to exercise any such powers. The Administration Agent and the Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

## **SECTION 7. REMEDIES.**

### **7.1 Generally.**

(a) If any Event of Default shall have occurred and be continuing, the Administration Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of the Administration Agent on default under the UCC (whether or not the UCC applies to the affected Collateral) to collect, enforce or satisfy any Secured Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously, in accordance with applicable law:

(i) require Grantor to, and Grantor hereby agrees that it shall at its expense and promptly upon request of the Administration Agent forthwith, assemble all or part of the Collateral as directed by the Administration Agent and make it available to the Administration Agent at a place to be designated by the Administration Agent that is reasonably convenient to both parties;

(ii) subject to the rights of third parties (including landlords, lessors and mortgages), enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

(iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Administration Agent deems appropriate; and

(iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Administration Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as are commercially reasonable.

(b) The Administration Agent or any Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent to the portion of the Collateral being privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC and the Administration Agent, as Administration agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale made in accordance with the UCC, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by the Administration Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of Grantor, and Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days notice to Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Administration Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administration Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Grantor agrees that it would not be commercially unreasonable for the Administration Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Grantor hereby waives any claims against the Administration Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Administration Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantor shall be liable for the deficiency and the fees of any attorneys employed by the Administration Agent to collect such deficiency. Grantor further agrees that a breach of any of the covenants contained in this Section will cause irreparable injury to the Administration Agent, that the Administration Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section shall be specifically enforceable against Grantor, and Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred and is continuing giving rise to the

Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section shall in any way alter the rights of the Administration Agent hereunder.

(c) The Administration Agent may sell the Collateral without giving any warranties as to the Collateral. The Administration Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(d) The Administration Agent shall have no obligation to marshal any of the Collateral.

**7.2 Application of Proceeds.** Except as expressly provided elsewhere in this Agreement or by applicable law, all proceeds received by the Administration Agent in respect of any sale, any collection from, or other realization upon all or any part of the Collateral after the occurrence and during the continuation of an Event of Default shall be applied in full or in part by the Administration Agent against, the Secured Obligations in the following order of priority: first, to the payment of all costs and expenses of such sale, collection or other realization, including reasonable compensation to the Administration Agent and its agents and counsel, and all other expenses, liabilities and advances made or incurred by the Administration Agent in connection therewith, and all amounts for which the Administration Agent is entitled to indemnification hereunder (in its capacity as the Administration Agent and not as a Lender) and all advances made by the Administration Agent hereunder for the account of the applicable Grantor, and to the payment of all costs and expenses paid or incurred by the Administration Agent in connection with the exercise of any right or remedy hereunder or under the Credit Agreement, all in accordance with the terms hereof or thereof; second, to the extent of any excess of such proceeds, to the payment of all other Secured Obligations for the ratable benefit of the Lenders and the Lender Counterparties; and third, to the extent of any excess of such proceeds, to the payment to or upon the order of Grantor or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

**7.3 Sales on Credit.** If after the occurrence and during the continuation of an Event of Default the Administration Agent sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by purchaser and received by Administration Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, Administration Agent may resell the Collateral and Grantor shall be credited with proceeds of the sale.

**7.4 Deposit Accounts.**

If any Event of Default shall have occurred and be continuing, the Administration Agent may apply the balance from any Deposit Account or instruct the bank at which any Deposit Account is maintained to pay the balance of any Deposit Account to or for the benefit of the Administration Agent.

**7.5 Investment Related Property.**

Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, the Administration Agent may be compelled, with respect to any sale of all or any part of the Investment Related Property conducted without prior registration or qualification of such Investment Related Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the

Investment Related Property for their own account, for investment and not with a view to the distribution or resale thereof. Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Administration Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Investment Related Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Administration Agent determines to exercise its right to sell any or all of the Investment Related Property, upon written request, Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Administration Agent all such information as the Administration Agent may request in order to determine the number and nature of interest, shares or other instruments included in the Investment Related Property which may be sold by the Administration Agent in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

#### **7.6 Intellectual Property.**

(a) Anything contained herein to the contrary notwithstanding, upon the occurrence and during the continuation of an Event of Default:

(i) the Administration Agent shall have the right (but not the obligation) to bring suit or otherwise commence any action or proceeding in the name of Grantor, the Administration Agent or otherwise, in the Administration Agent's sole discretion, to enforce any Intellectual Property, in which event Grantor shall, at the request of the Administration Agent, do any and all lawful acts and execute any and all documents required by the Administration Agent in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify the Administration Agent as provided in Section 10 hereof in connection with the exercise of its rights under this Section, and, to the extent that the Administration Agent shall elect not to bring suit to enforce any Intellectual Property as provided in this Section, Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement or other violation of any of Grantor's rights in the Intellectual Property by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing as shall be necessary to prevent such infringement or violation;

(ii) upon written demand from the Administration Agent, Grantor shall grant, assign, convey or otherwise transfer to the Administration Agent an absolute assignment of all of Grantor's right, title and interest in and to the Intellectual Property and shall execute and deliver to the Administration Agent such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that the Administration Agent (or any Secured Party) receives cash proceeds in respect of the sale or license of, or other realization upon, the Intellectual Property;

(iv) within five (5) Business Days after written notice from the Administration Agent, Grantor shall make available to the Administration Agent, to the extent commercially reasonable and within Grantor's power and authority, such personnel in Grantor's employ on the date of such Event of Default as the Administration Agent may reasonably designate, by name, title or job responsibility, to permit Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by Grantor under or in connection with the Trademarks, Trademark Licenses, such persons to be available to perform their prior functions on the Administration Agent's behalf and to be compensated by the Administration Agent at Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and

(v) the Administration Agent shall have the right to notify, or require Grantor to notify, any obligors with respect to amounts due or to become due to Grantor in respect of the Intellectual Property, of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Administration Agent, and, upon such notification and at the expense of Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as Grantor might have done;

- (1) all amounts and proceeds (including checks and other instruments) received by Grantor in respect of amounts due to Grantor in respect of the Collateral or any portion thereof shall be received in trust for the benefit of the Administration Agent hereunder, shall be segregated from other funds of Grantor and shall be forthwith paid over or delivered to the Administration Agent in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 7.7 hereof; and
- (2) Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Administration Agent of any rights, title and interests in and to the Intellectual Property shall have been previously made and shall have become absolute and effective, and (iv) the Secured Obligations shall not have become immediately due and payable, upon the written request of Grantor, the Administration Agent shall promptly execute and deliver to Grantor, at Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to Grantor any such rights, title and interests as may have been assigned to the Administration Agent as aforesaid, subject to any disposition thereof that may have been made by the Administration Agent; provided, after giving effect to such reassignment, the Administration Agent's security interest granted pursuant hereto, as well as all other rights and remedies of the Administration Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of any other Liens granted by or on behalf of the Administration Agent and the Secured Parties.

(c) Solely for the purpose of enabling the Administration Agent to exercise rights and remedies under this Section 7 and at such time as the Administration Agent shall be lawfully entitled to exercise such rights and remedies, Grantor hereby grants to the

Administration Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of Grantor to avoid the risk of invalidation of said Trademarks, to use, operate under, license, or sublicense any Intellectual Property now owned or hereafter acquired by Grantor, and wherever the same may be located.

**7.7 Cash Proceeds.** In addition to the rights of the Administration Agent specified in Section 4.3 with respect to payments of Receivables after the occurrence and during the continuation of an Event of Default, all proceeds of any Collateral received by Grantor after the occurrence and during the continuation of an Event of Default consisting of cash, checks and other non-cash items (collectively, "**Cash Proceeds**") shall be held by Grantor in trust for the Administration Agent, segregated from other funds of Grantor, and shall, forthwith upon receipt by Grantor, unless otherwise provided pursuant to Section 4.4(a)(ii), be turned over to the Administration Agent in the exact form received by Grantor (duly indorsed by Grantor to the Administration Agent, if required) and held by the Administration Agent in the Collateral Account. Any Cash Proceeds so received by the Administration Agent (whether from a Grantor or otherwise) after an Event of Default shall have occurred and be continuing, may, in the sole discretion of the Administration Agent, (A) be held by the Administration Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and/or (B) then or at any time thereafter may be applied by the Administration Agent against the Secured Obligations then due and owing.

## **SECTION 8. ADMINISTRATION AGENT.**

The Administration Agent has been appointed to act as Administration Agent hereunder by Lenders and, by their acceptance of the benefits hereof, the other Secured Parties. The Administration Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with this Agreement and the Credit Agreement; provided, the Administration Agent shall, after payment in full of all Obligations under the Credit Agreement and the other Loan Documents, exercise, or refrain from exercising, any remedies provided for herein in accordance with the instructions of the holders of a majority of the aggregate notional amount (or, with respect to any Hedge Agreement that has been terminated in accordance with its terms, the amount then due and payable (exclusive of expenses and similar payments but including any early termination payments then due) under such Hedge Agreement) under all Hedge Agreements. In furtherance of the foregoing provisions of this Section, each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Administration Agent for the benefit of Secured Parties in accordance with the terms of this Section. Administration Agent may resign, be removed and/or replaced in accordance with Section 11.08 of the Credit Agreement. Upon the acceptance of any appointment as Administration Agent under the Credit Agreement by a successor Administration Agent, in addition to the rights, powers, privileges and duties set forth in Section 11.08 of the Credit Agreement, the retiring or removed Administration Agent under this Agreement shall promptly (i) transfer to such successor Administration Agent all sums, Securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administration Agent under this Agreement, and (ii) execute and deliver to such successor Administration Agent or otherwise authorize the filing of such amendments to

financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Administration Agent of the security interests created hereunder.

#### **SECTION 9. CONTINUING SECURITY INTEREST; TRANSFER OF LOANS.**

This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until the payment in full of all Secured Obligations, the cancellation or termination of the Commitments and the cancellation or expiration of all outstanding Banker's Acceptances and Documentary Credits, be binding upon Grantor, its successors and assigns, and inure, together with the rights and remedies of the Administration Agent hereunder, to the benefit of the Administration Agent and its successors, transferees and assigns. Without limiting the generality of the foregoing, but subject to the terms of the Credit Agreement, any Lender may assign or otherwise transfer any Loans held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to Lenders herein or otherwise. Upon the payment in full of all Secured Obligations, the cancellation or termination of the Commitments and the cancellation or expiration of all outstanding Banker's Acceptances and Documentary Credits, the security interest granted hereby shall terminate hereunder and of record and all rights to the Collateral shall revert to Grantor. Upon any such termination the Administration Agent shall, at Grantor's expense, execute and deliver to Grantor such documents as Grantor shall reasonably request to evidence such termination.

#### **SECTION 10. STANDARD OF CARE; ADMINISTRATION AGENT MAY PERFORM.**

The powers conferred on the Administration Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder and compliance with applicable law, the Administration Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Administration Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Administration Agent accords its own property of similar kind. Neither the Administration Agent nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantor or otherwise. If Grantor fails to perform any agreement contained herein, the Administration Agent may itself perform, or cause performance of, such agreement, and the expenses of the Administration Agent incurred in connection therewith shall be payable by Grantor under Section 12.06 of the Credit Agreement.

#### **SECTION 11. MISCELLANEOUS.**

Any notice required or permitted to be given under this Agreement shall be given in accordance with Section 12.04 of the Credit Agreement. No failure or delay on the part of the Administration Agent in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement and the other Loan Documents

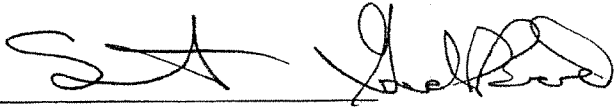

are cumulative to, and not exclusive of, any rights or remedies otherwise available. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists. This Agreement shall be binding upon and inure to the benefit of the Administration Agent and Grantor and their respective successors and assigns. Grantor shall not, without the prior written consent of the Administration Agent given in accordance with the Credit Agreement, assign any right, duty or obligation hereunder. This Agreement and the other Loan Documents embody the entire agreement and understanding between Grantor and the Administration Agent and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Loan Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.

**THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF INDIANA.**

**SECURITIES ACCOUNT CONTROL AGREEMENT**

This Securities Account Control Agreement dated as of \_\_\_\_\_, 200\_\_ (this "Agreement") among \_\_\_\_\_ (the "Debtor"), \_\_\_\_\_, as administration agent for the Secured Parties (the "Administration Agent") and \_\_\_\_\_, in its capacity as a "securities intermediary" as defined in Section 8-102 of the UCC (in such capacity, the "Securities Intermediary"). Capitalized terms used but not defined herein shall have the meaning assigned thereto in the Pledge and Security Agreement, dated [as of the date hereof], among the Debtor, the other Grantor party thereto and the Administration Agent (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"). All references herein to the "UCC" shall mean the Uniform Commercial Code as in effect in the State of New York.

**Section 1. Establishment of Securities Account.** The Securities Intermediary hereby confirms and agrees that:

(a) The Securities Intermediary has established account number [IDENTIFY ACCOUNT NUMBER] in the name "[IDENTIFY EXACT TITLE OF ACCOUNT]" (such account and any successor account, the "Securities Account") and the Securities Intermediary shall not change the name or account number of the Securities Account without the prior written consent of the Administration Agent;

(b) All securities or other property underlying any financial assets credited to the Securities Account shall be registered in the name of the Securities Intermediary, indorsed to the Securities Intermediary or in blank or credited to another securities account maintained in the name of the Securities Intermediary and in no case will any financial asset credited to the Securities Account be registered in the name of the Debtor, payable to the order of the Debtor or specially indorsed to the Debtor except to the extent the foregoing have been specially indorsed to the Securities Intermediary or in blank;

(c) All property delivered to the Securities Intermediary pursuant to the Security Agreement will be promptly credited to the Securities Account; and

(d) The Securities Account is a "securities account" within the meaning of Section 8-501 of the UCC.

If the Debtor is otherwise entitled to issue entitlement orders and such orders conflict with any entitlement order issued by the Administration Agent, the Securities Intermediary shall follow the orders issued by the Administration Agent.

**Section 4. Subordination of Lien; Waiver of Set-Off.** In the event that the Securities Intermediary has or subsequently obtains by agreement, by operation of law or otherwise a security interest in the Securities Account or any security entitlement credited thereto, the Securities Intermediary hereby agrees that such security interest shall be subordinate to the security interest of the Administration Agent. The financial assets and other items deposited to the Securities Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any person other than the Administration Agent (except that the Securities Intermediary may set off (i) all amounts due to the Securities Intermediary in respect of customary fees and expenses for the routine maintenance and operation of the Securities Account and (ii) the face amount of any checks which have been credited to such Securities Account but are subsequently returned unpaid because of uncollected or insufficient funds).

**Section 5. Choice of Law.** This Agreement and the Securities Account shall each be governed by the laws of the State of [New York]. (iii) It has not entered into, and until the termination of this Agreement, will not enter into, any agreement with the Debtor or the Administration Agent purporting to limit or condition the obligation of the Securities Intermediary to comply with entitlement orders as set forth in Section 3 hereof.

**Section 7. Adverse Claims.** Except for the claims and interest of the Administration Agent and of the Debtor in the Securities Account, the Securities Intermediary does not know of any claim to, or interest in, the Securities Account or in any "financial asset" (as defined in Section 8-102(a) of the UCC) credited thereto. If any person asserts any lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Securities Account or in any financial asset carried therein, the Securities Intermediary will promptly notify the Administration Agent and the Debtor thereof.

**Section 8. Maintenance of Securities Account.** In addition to, and not in lieu of, the obligation of the Securities Intermediary to honor entitlement orders as agreed in Section 3 hereof, the Securities Intermediary agrees to maintain the Securities Account as follows:

(a) Notice of Sole Control. If at any time the Administration Agent delivers to the Securities Intermediary a Notice of Sole Control in substantially the form set forth in Exhibit A hereto, the Securities Intermediary agrees that after receipt of such notice, it will take all instruction with respect to the Securities Account solely from the Administration Agent.

(b) Voting Rights. Until such time as the Securities Intermediary receives a Notice of Sole Control pursuant to subsection (a) of this Section 8, the Debtor shall direct the Securities Intermediary with respect to the voting of any financial assets credited to the Securities Account.

(c) Permitted Investments. Until such time as the Securities Intermediary receives a Notice of Sole Control signed by the Administration Agent, the Debtor shall direct the Securities Intermediary with respect to the selection of investments to be made for the Securities Account; provided, however, that the Securities Intermediary shall not honor any instruction to purchase any investments other than investments of a type described on Exhibit B hereto.

(d) Statements and Confirmations. The Securities Intermediary will promptly send copies of all statements, confirmations and other correspondence concerning the Securities Account and/or any financial assets credited thereto simultaneously to each of the Debtor and the Administration Agent at the address for each set forth in Section 12 of this Agreement.

(e) Tax Reporting. All items of income, gain, expense and loss recognized in the Securities Account shall be reported to the Internal Revenue Service and all state and local taxing authorities under the name and taxpayer identification number of the Debtor.

**Section 9. Representations, Warranties and Covenants of the Securities Intermediary.** The Securities Intermediary hereby makes the following representations, warranties and covenants:

(a) The Securities Account has been established as set forth in Section 1 above and such Securities Account will be maintained in the manner set forth herein until termination of this Agreement; and

(b) This Agreement is the valid and legally binding obligation of the Securities Intermediary.

**Section 10 Indemnification of Securities Intermediary.** The Debtor and the Administration Agent hereby agree that (a) the Securities Intermediary is released from any and all liabilities to the Debtor and the Administration Agent arising from the terms of this Agreement and the compliance of the Securities Intermediary with the terms hereof, except to the extent that

such liabilities arise from the Securities Intermediary's negligence and (b) the Debtor, its successors and assigns shall at all times indemnify and save harmless the Securities Intermediary from and against any and all claims, actions and suits of others arising out of the terms of this Agreement or the compliance of the Securities Intermediary with the terms hereof, except to the extent that such arises from the Securities Intermediary's negligence, and from and against any and all liabilities, losses, damages, costs, charges, counsel fees and other expenses of every nature and character arising by reason of the same, until the termination of this Agreement.

**Section 11. Successors; Assignment.** The terms of this Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective corporate successors or heirs and personal representatives who obtain such rights solely by operation of law. The Administration Agent may assign its rights hereunder only with the express written consent of the Securities Intermediary and by sending written notice of such assignment to the Debtor.

**Section 12. TO PLEDGE AND SECURITY AGREEMENT

**DEPOSIT ACCOUNT CONTROL AGREEMENT**

This Deposit Account Control Agreement dated as of \_\_\_\_\_, 2001 (this "Agreement") among \_\_\_\_\_ (the "Debtor"), \_\_\_\_\_, as administration agent for the Secured Parties (the "Administration Agent") and \_\_\_\_\_, in its capacity as a "bank" as defined in Section 9-102 of the UCC (in such capacity, the "Financial Institution"). Capitalized terms used but not defined herein shall have the meaning assigned thereto in the Pledge and Security Agreement, dated [as of the date hereof], between the Debtor, the other Grantor party thereto and the Administration Agent (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"). All references herein to the "UCC" shall mean the Uniform Commercial Code as in effect in the State of [New York].

**Section 1. Establishment of Deposit Account.** The Financial Institution hereby confirms and agrees that:

(a) The Financial Institution has established account number [IDENTIFY ACCOUNT NUMBER] in the name "[IDENTIFY EXACT TITLE OF ACCOUNT]" (such account and any successor account, the "Deposit Account") and the Financial Institution shall not change the name or account number of the Deposit Account without the prior written consent of the Administration Agent and, prior to delivery of a Notice of Sole Control in substantially the form set forth in Exhibit A hereto, the Debtor; and

Money and other items credited to the Deposit Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any person other than the Administration Agent (except that the Financial Institution may set off (i) all amounts due to the Financial Institution in respect of customary fees and expenses for the routine maintenance and operation of the Deposit Account and (ii) the face amount of any checks which have been credited to such Deposit Account but are subsequently returned unpaid because of uncollected or insufficient funds).

**Section 5. Conflict with Other Agreements.**

(a) In the event of any conflict between this Agreement (or any portion thereof) and any other agreement now existing or hereafter entered into, the terms of this Agreement shall prevail;

(b) No amendment or modification of this Agreement or waiver of any right hereunder shall be binding on any party hereto unless it is in writing and is signed by all of the parties hereto; and

(c) The Financial Institution hereby confirms and agrees that:
